## TEENS: SUMMERTIME IS VOLUNTEER TIME

Why be bored at home this summer when you can have fun and meet new friends while helping your community. Volunteering helps YOU, too!

- Hours count toward the Florida Bright Futures Scholarship community service requirement.
- Colleges like to see well-rounded applicants. Volunteering will show them that you: a) made good use of your time, and b) are a person who cares about others.
- It helps you develop character, confidence, new skills and a great work ethic.

There is an opportunity for every interest and ability at each Life's Treasures Thrift Store location. We are always seeking fun-loving adults and teens 14 and up to sort and price donations, display merchandise on the sales floors, maintain the window displays, run the cash registers, assist customers, and help keep the stores neat and clean.

Schedules are flexible; no retail experience is required, all training is provided.

Please contact Anne at (813) 357-5321 or [ferrella@chaptershealth.org](mailto:ferrella@chaptershealth.org) for information on getting started.

## DONATE YOUR OLD (OR NEW) STUFF NOW!

Life's Treasures relies on a steady stream of donations to keep our inventory levels up year-round. Free pickup service is available for furniture and larger items. Just call the store nearest you to schedule a pickup.
