The Season of Giving is Here ~ It's Time to Volunteer!

Instead of getting caught up in what gifts to buy this holiday season, consider how you can give back. You'll get back just as much as you give.

Giving your time as a volunteer at Life's Treasures has a meaningful impact on your community. Store proceeds help fund hospice care for the uninsured, free community grief support programs for children, teens and adults, end-of-life-care education for USF medical students and veterans programs. Join our team and make a difference!

Contact Anne Ferrell at (813) 357-5321 or ferrella@chaptershealth.org for information on getting started.
