Chapters Health System Recognized for Six Consecutive Years as a Great Place to Work[®]

Additional Recognition as 2023 Top Workplaces Culture Excellence Award Winner

TEMPLE TERRACE, FL (August 2, 2023): [Chapters Health System](#) announced today its certification for the sixth consecutive year as a great workplace in the Aging Services category by the independent analysts at the Great Place to Work[®] Institute. Chapters Health and its affiliates earned this distinction based on extensive ratings provided by its team members in anonymous surveys. A summary of these ratings can be found [here](#). Additionally, the organization earned recognition as a 2023 Top Workplaces Culture Excellence award winner for Work-Life Flexibility and Purposes and Values from Energage.

"Heartfelt thanks to all Chapters Health team members for taking the time from their busy schedules to provide valuable feedback, which allowed us to reach the milestone of six consecutive years as a Great Place to Work," said Andrew Molosky, MBA, FACHE, president and chief executive officer for Chapters Health. "Team member feedback helps benchmark our progress as we continue to focus on engagement and move input into action."

In 2023, 77 percent of team members said Chapters Health is a great place to work compared to 57 percent of employees at a typical U.S.-based company.

"Great Place to Work Certification isn't something that comes easily – it takes ongoing dedication to the employee experience," said Sarah Lewis-Kulin, vice president of global recognition at Great Place to Work. "It's the only official recognition determined by employees' real-time reports of their company culture. Earning this designation means that Chapters Health is one of the best companies to work for in the country."

According to [Great Place to Work research](#), job seekers are 4.5 times more likely to find a great boss at a certified great workplace. Additionally, employees at a certified workplace are 93 percent more likely to look forward to coming to work. This is music to the ears of Chapters Health as a certified Great Place to Work.

"With an ever-present goal to elevate culture, we were thrilled to learn we were also recognized as a Top Culture Excellence award winner in two categories: Work-Life Flexibility and Purpose and Values," added Molosky.

Work-life flexibility recognizes an organization that has built a culture enabling team members to meet the demands of their personal lives while maintaining high performance. And the Purpose and Values award celebrates organizations that have successfully communicated the company mission and integrated those aspirations into the culture.
